PROFESSIONAL DIAL TIRE INFLATOR GAUGE

7-180 PSI

Features and benefits

- Ideal for exact pressure inflation on North-American and imported vehicules equipped with TPMS pressure sensors
- Clear and easy-to-read 80 mm dial display with accurate pressure reading from 7 to 180 PSI (0.5-12 BAR) / 2 PSI increment
- 3 functions: inflates, deflates and measures the pressure
- Die cast aluminium unit with rubber lever makes it high impact resistance
- Rubber sleeve for increased comfort and durability
- Interchangeable clip-on air chuck (63.203)
- Flexible interchangeable 1 m (39 in) hose
- Optional 2 m (78 in) hose allows the use of the gauge from a safe distance from the tire during inflation

Applications

Cars, light and heavy trucks, motorcycles, bicycles, racing vehicles

Specifications

Working Pressure Range: 7 to 180 PSI
Working Temperature: 0 to 40 °C
Maximum Inlet Pressure: 232 PSI
Air Inlet: 1/4 (F) NPT

Product No	Description
63.683	Gauge with 1 m (39 in) hose and clip-on air chuck
63.697	Replacement hose 2 m (78 in) air chuck included
63.690	Replacement hose 1 m (39 in) air chuck included
