## TACTICAL GOGGLE

The Uvex XMF Tactical Goggle is the high-performance solution for today's law enforcement professional. With superior coverage, precision optics, comfort features and aggressive style, the Uvex XMF Tactical Goggle is designed to instill confidence and protect.

## Goggle Features

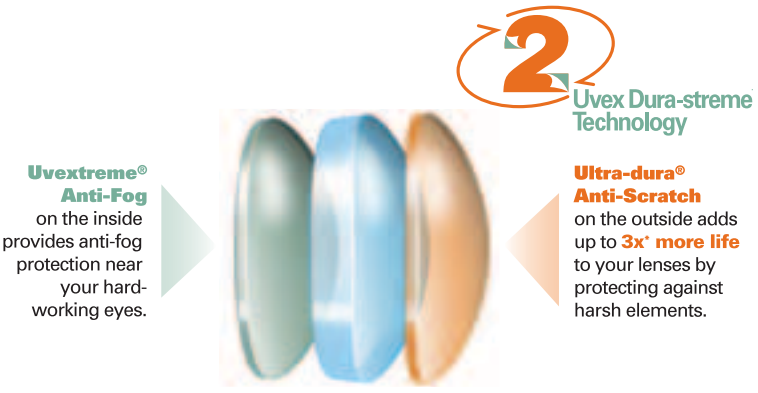

1. *Streamlined cylindrical lens offers superior optics and wide field of view for optimized peripheral vision*
2. *Low-profile design ensures compatibility with helmets, night vision and communication devices*
3. *Soft, lightweight elastomer body flexes and conforms to the face for a secure, comfortable, gap-free fit*
4. *No foam lining comes in contact with skin, making the goggle easy to clean and maintain*
5. *Full-perimeter ventilation and filtration system minimizes lens fogging, and filters airborne particles and dust*
6. *Adjustable flame-resistant headband provides a custom fit whether worn alone or with a helmet*
7. *Color-coordinated, anti-reflective soft fabric lens sleeve helps to protect goggle lens when not in use*

- *Easy lens exchange system allows for quick adjustments to altering light conditions*
- *Goggle is available in Black, Foliage Green and Desert Tan with Clear or Gray lenses and as a complete kit*
- *Dura-streme® dual-coating technology minimizes fogging and provides superior scratch resistance*
- *The optional Rx insert provides a prescription lens solution that is compatible with the Uvex XMF Tactical Goggle and other Uvex tactical eyewear*
- *Lenses provide 99.99% UV protection*
- *Certified to ANSI Z87.1-2010, EN 166, CSA Z94.3 and U.S. MIL SPEC MIL-DTL-43511D (Clause 3.5.10)*
- *V50 of 777.56 ft/sec or 234.87 m/sec when tested to STANAG 2920 using a .22 caliber projectile*
- *Made in USA*

## Lens Technology

### Uvex Dura-streme lens coating delivers the ultimate in anti-fog protection and scratch resistance.

Dura-streme lenses combine our two best lens coatings on one lens: Ultra-dura® on the exterior and Uvextreme® on the interior to provide up to 3x* more lens life. Uvextreme anti-fog coating performs under the most extreme conditions and will not wear off after repeated cleanings. It is permanently bonded to the lens and retains anti-scratch, anti-static and UV protection properties. Ultra-dura anti-scratch coating is permanently bonded to the lens and is scratch-resistant and chemical-resistant.

*Comparative lens life test performed using a Bayer Abrasion Test method and may vary between environment and application

UVEX™
by Honeywell

***Rx Insert***
*Nylon Rx insert for those who require corrective lenses.*
*Designed to fit the full line of Uvex tactical eye protection products.*

# Uvex XMF Tactical Goggle Kit

## Tactical Goggle Kit

The Uvex XMF Tactical Goggle Kit is fit for most non-laser applications and is conveniently packaged in a comprehensive, functional kit. The kit includes:

- *Uvex XMF Goggle with clear Dura-streme anti-fog/anti-scratch lens.*
- *1 gray sunglass replacement lens with Dura-streme anti-fog/ anti-scratch lens coating.*
- *1 Uvex Fog Eliminator reusable anti-fog/cleaning cloth.*
- *Rugged soft-sided carrying case made of 500 denier nylon, with built-in pockets for an extra lens and accessories.*
