

Product Family

Uvex Livewire™ Sealed Eyewear

Uvex Livewire sealed eyewear delivers the fit, performance and protection required in extreme environments, protecting workers against intense wind, sun, dirt, dust and debris, as well as high heat and humidity. With 10X longer-lasting anti-fog performance, and a precision, fit-tested foam-lined frame that defies debris, Uvex Livewire sealed eyewear is engineered for the extreme. To outfit even more of your team, there's also a **prescription frame** option.

Uvex Livewire Silver Frame
SCT-Reflect 50 Lens, Uvextreme Plus AF

Packaging Information

All Uvex Livewire come packaged with temples and headband as well as with instructions and warnings for proper use.

Overview

Key Features

In high-particulate environments that require sealed eyewear, a proper fit is absolutely critical. Through extensive research and fit-testing on hundreds of workers, Uvex Livewire sealed eyewear sets the bar for achieving a proper fit on even the hardest to fit individuals. And when it comes to anti-fog performance and durability, Uvex Livewire sealed eyewear delivers on all counts.

Features

- Uvextreme Plus® anti-fog lens coating for superior, long-lasting fog-free vision that lasts up to 10X longer, and provides 2X better scratch-resistance than competitive anti-fog coated products
- Also available with Dura-streme dual anti-fog/anti-scratch coating
- Foam-lined subframe is precision engineered to offer maximum comfort and a gap-free seal around the eyes to keep debris out
- Optimized design based on extensive fit testing and morphological research to ensure an excellent, comfortable fit almost any wearer
- Flexible design can be worn with a headband like a goggle or with temples like a spectacle
- Simple temple-to-headband exchange system makes switching between temples or headband quick and easy
- Padded temples are engineered to provide ideal tension and flex for superior comfort and fit
- Ratcheting temples adjust lens angle by up to 15° for optimal coverage and air circulation
- Offered in the widest lens tint assortment available in sealed eyewear: Clear, Amber, Espresso, Gray, SCT-Reflect 50 (indoor/outdoor mirror), SCT-Gray, SCT-Low IR, Shade 3.0 and Shade 5.0
- Highly adjustable, flame-resistant cloth headband provides an excellent fit and is latex-free
- Streamlined, wraparound frame design accommodates respirators and other PPE, while the low-profile temples fit comfortably with earmuffs
- Available in Matte Black and Silver frame options
- Prescription frame available for those who require vision correction. The Uvex SW09R Livewire™ sealed Rx frame is available in three colors, and in both 6-base and 8-base lens configurations to accommodate almost any prescription. Rx frame features a removable / replaceable foam insert to extend the life of the eyewear.

Recommended Industries/Use

- Agriculture
- Construction
- Forestry
- Manufacturing
- Mining
- Municipal Services
- Oil and Gas
- Steel and Metals
- Utilities
- Welding
- Wind Energy

Hazards

- Airborne Particulates
- Extreme Environment
- Impact

Regulations

- ANSI - Meets the ANSI Z87.1-2010 standard
- CSA - Tested by Honeywell to meet the requirements of the CSA Z94.3 standard
- Not for chemical splash applications -
