# Uvex™ Fog Eliminator Cloths

Uvex Fog Eliminator Cloths are formulated to effectively protect lenses of all types from fogging caused by cold, high humidity or sudden temperature changes. To stay safe, workers need to see clearly at all times.

With Uvex Fog Eliminator Cloths, workers who wear safety eyewear, goggles or faceshields are better protected against the temporary loss of vision that occurs when lenses fog up. Available in convenient foil packets, Uvex Fog Eliminator Cloths are easy to use, reusable and safe for use on all types of lenses and lens coatings.

- Safe for all surfaces, including polycarbonate and glass
- New and improved formula provides a minimum of 40 applications per cloth with full effectiveness
- Streak- and film-free
- Alcohol- and silicone-free
- Non-flammable and non-toxic
- Made in USA
