ICE DIAMOND REPLACEMENT SPIKES FOR TRACTION AID - 100PK

Product # **V3550670-O/S** | Model #

- Long lasting made with Tungsten Carbide, which is ten times stronger, wears longer, is inherently spark resistant and retains its ice piercing edge better than steel
- Superior traction each Ice Diamond™ spike works independently, piercing uneven surface contours to provide the ultimate grip on ice and packed snow
- Easy to replace simply push replacement spike from the inside to the outside of the sole to replace spikes
- Conveniently available in packs of 6 and 100 Due North traction aids help give you traction on ice, snow or similar porous surfaces. However, because NO product can completely prevent a slip or fall on slippery surfaces, remember to exercise care when walking or running in Due North traction aids. Caution should also be taken when moving on any hard or polished surface such as granite or marble, on ladders, or when driving a vehicle. Use care, as these traction aids are sharp and may injure or damage ?ooring, surfaces, or skin. Due North traction aids are not to be used for mountaineering and/or hiking, in rocky terrain, or when the user may encounter steep up or down slopes. Due North traction aids are not designed or intended to be used on high heel footwear. This product contains latex. Surefoot makes no warranties unless expressly stated.
